Welcome back, I hope you all enjoyed the break with your children. We are now half way through the academic year and this term we will be busy once again creating lots of learning opportunities. We will be looking at music, arts and crafts as well as dressing up for world book day and celebrating Mummy's. The children have already had a busy first week learning about musical instruments and experimenting with sound. They have also created instruments to display on the wall. If you play a musical instrument and would like to show your talent to the children please speak to the team.

OFSTED

Ofsted visited the setting on 10th January and gave positive feedback on the provision we provide here at Brampton. The inspector was very impressed by how well behaved and independent the children were during the day. You can read the full report on the Ofsted website or alternatively there is a copy in the lobby. Thank you for all your praise, the team and I work hard to provide this service on an ever decreasing budget and appreciate your recognition and continued support.

Parents Evening

This is scheduled for Tuesday 7th March.
You will find a list with times available to see your child's keyperson located in the lobby. I will also be available if you wish to discuss any matters further.

World Book Day Thursday 2nd March

We would like to encourage the children to dress up as a story character on world book day however this is not compulsory. We would also like the children to bring in a favourite story week commencing Mon 27th Feb that we can read and discuss with the group.

Mothering Sunday Celebrations

Week commencing Monday 20th March we would like to invite Mummy's to the setting between 2:30 & 3:30 to play on a day that your child attends. If your child only attends a morning session please speak to Sarah or Steph to arrange an afternoon for you to visit.
